

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE DIVISION

RSI CORP., dba RESPONSIVE SYSTEMS
COMPANY, a New Jersey corporation,

Case No. C-08-03414 RMW

Plaintiff,

ORDER

VS.

[Re Docket No. 259]

INTERNATIONAL BUSINESS MACHINES
CORPORATION, a New York corporation;
and DOE DEFENDANTS 1-20,

Defendants.

The court tentatively believes that modification of the October 2012 Discovery Order, Dkt. No. 218, may be more appropriate than continuing the trial date.

No later than January 17, 2013, both parties are ordered to file proposed orders modifying the court's discovery order that will allow RSI to obtain the discovery it needs without being unreasonably burdensome to IBM. For example, this could be accomplished by limiting the custodians to a designated number who are most likely to have the information requested by RSI.

Dated: January 16, 2013
